Presentations - Please stay for presentations, not only is it a horse welfare requirement to remain for a period of time after you have vetted, it is also considered part of the ride that you stay for presentations to receive your logbook/day card and congratulate your fellow riders. We aim to hold presentations as soon as possible - Timings TBC on the day.

No catering - BYO all food and drinking water, horse water available.

General – Communal fire pit – no individual fire pits. Dogs are allowed but must be on leads at all times (be aware that there are farm dogs on the property). All manure, hay and rubbish to be taken home with you. For biosecurity purposes, ONLY OATEN HAY (no meadow please!).

Hoof protection is recommended; tracks are a mixture of gravel and some sand. Some of the 10k and 20km rides could possibly be completed without hoof protection for most horses.
